

Canmade Furniture Products has been importing and distributing functional & decorative hardware and accessories from Italy, Spain, China and the USA for over 35 years. Over the decades, product lines extended into an inventory of over 4,000 items and a selection of *Specialty Products* exclusive to **Canmade**.

The latest and most exciting item added to the *Specialty Product Line* is a European made, remote controlled and fully concealed Wall bed...not to be mistaken for the traditional Murphy bed.

This bed reveals or stores at the touch of a button. Small spaces are no longer limited in their functionality or design and creating more space has never been easier and more convenient.

FEATURES

- The Housing Unit can be custom built to suit any design idea.
- The bed functions with a depth of 24" and a height of 7.3'.
- No risk of injury normally associated with manually operated wall bed systems.
- Easy to install.
- Available in all mattress sizes.

THE MATTRESS

- The mattress is free of adhesives and is made from cold foam.
- Longitudinal & cross cut grooves as well as air ducts result in optimal comfort and excellent air and moisture regulation / exchange.
- It comes with a high quality quilted terry cotton fabric cover that can be easily removed and machine washed (up to 60° C).

ENDLESS APPLICATION OPTIONS
