Kipling Classic

The simple clean lines of this vanity will complement a variety of styles from modern to updated classic. Square satin nickel hardware adds to the modern styling. A patented fully functional top drawer with storage on both sides of the

bowl, lower drawer fitted around plumbing, and open

bottom shelf provide ample storage for towels and linens. Drawers are equipped with ball bearing slides. Tops are available in black granite or white marble (sold separately). Faucet sold separately (FAUCET02-SN).

Barcelona Modern

Curved Asian-inspired design with carved reed detail and matching satin nickel hardware give this vanity a modern feel. The narrow design will fit comfortably into most powder rooms. A patented fully functional top drawer with storage on both sides of the bowl, middle drawer fitted around plumbing, and full bottom drawer provide ample

storage for towels and

linens. Drawers are equipped with self-closing undermount slides. Tops are available in black granite or white marble (sold separately). Faucet sold separately (FAUCET01-SN).

Ming Modern

This classic Frank Lloyd Wright inspired vanity has an updated Asian look with a black finish and dull nickel hardware. The cabinet doors feature frosted tempered glass inserts and fretwork detailing that give a spa-like feel to the vanity. The narrow design makes this vanity

a perfect addition to a powder room or guest bath. A

large cabinet provides ample storage for towels and linens. Black granite top and white porcelain bowl are preinstalled. Faucet sold separately (FAUCET01-SN).

Espresso

Demi-Lune Espresso

The curved demi-lune shape of this vanity is taken from classic Art Deco furniture design. Carved rosettes and fluted detailing add to the Deco appeal. A

modern Espresso finish and brushed nickel hardware bring this classic design into the 21st Century. A large cabinet with two pull-out drawers provide storage for towels and linens. Side shelves give additional storage for tall bottles and cans. Top available in black granite (sold separately). Faucet sold separately (FAUCET02-SN).

Rosewood Beaded

Hand-carved beaded details and exotic rosewood veneered drawer fronts give this vanity a unique furniture feel. The beaded design is echoed in the carved bunn feet and brushed copper knobs. A fully functional top drawer with storage on both sides of the bowl, middle drawer fitted around plumbing, and

full bottom drawer provide ample storage for towels

and linens. Drawers are equipped with self-closing undermount slides. Black granite top and parchment porcelain bowl are preinstalled. Faucet sold separately (FAUCET01-DBAC).

Rosewood

French Regency

The classic serpentine shape of this vanity comes from French Regency furniture design. A modern finish and simple hardware give this classic vanity an updated look. The curved shape is echoed in the matching mirror. A fully functional top drawer with storage on both sides of the bowl with middle and bottom drawers fitted around plumbing provide ample storage for towels and linens.

Drawers are equipped with self-closing

undermount slides. Top available

in black granite. Faucet sold separately (FAUCET02-SN).

Walnut Bombé

A rich walnut finish beautifully accents the burlled veneer drawer fronts on this traditional vanity. The classic French bombé shape and hand-carved botanical details ground this vanity in classic

furniture design. The matching mirror is crowned with additional carved leaf detailing. A fully functional top drawer with storage on both sides of the bowl, middle drawer fitted around plumbing, and full bottom drawer provide ample storage for

towels and linens. Drawers are equipped with ball bearing slides. Top available in black granite (sold separately). Faucet sold separately (FAUCET02-DBAC)
